

```
---  
  
# My Presentation Title
```

```
A brief description of the presentation.
```

```
---
```

```
## Slide 2
```

```
Content for slide 2
```

3. Add images to the same directory:

```
my-presentation/  
├─ presentation.md  
├─ image1.png  
└─ image2.jpg
```

4. Commit and push your changes:

```
git add my-presentation  
git commit -m "Add my presentation"  
git push
```
